SOLE SOURCE PROCUREMENT NOTICE

NOTICE is hereby given that the Institute for Advanced Learning and Research ("IALR"), a political subdivision of the Commonwealth of Virginia, is procuring a set of twelve Easyprep Plus, Temp Only, Full All Temp Control Starter Kit vessels for use with IALR’s existing MARS CEM 6 Extraction Microwave. IALR has determined, pursuant to Section 2.2-4303.E. of the Code of Virginia (1950), as amended, that there is only one source, CEM Corporation, practicably available to provide the goods described above. IALR is awarding a contract for the purchase of a set of twelve Easyprep Plus, Temp Only, Full All Temp Control Starter Kit vessels to CEM Corporation on September 13, 2018.
