

STEM Summer Adventure (SSA) Scholarship Application 2024

The Institute for Advanced Learning and Research (IALR), located in Danville, VA, is an organization committed to furthering Virginia's research capacity in the areas of STEM (science, technology, engineering, and mathematics). IALR has established research centers in targeted science and engineering disciplines to assist in the economic transformation of Southern Virginia. The success of this initiative is dependent upon the region's ability to invest in education and the entrepreneurial potential of its youth.

IALR desires to see everyone have the chance to attend SSA Camps. Students who need financial assistance may apply for a scholarship. Applications are received and processed confidentially. Scholarship awards are based on the number of applicants and the financial need of each. Applicants who are awarded a scholarship will be notified by May 15, 2024. Applications will continue to be accepted after this date.
